
NORU: THE NOMAD

STORY AND ART BY ARYA SUSU HO

It's an old journal that records all the changes that has happened on Earth.

So you think about it, there are probably the reasons why you got stuck up there in the first place.

This design and process of change is simple.

WHOOSH!

A repetitive cycle that occurs over and over again.

There was an endless cycle of extreme natural disasters that wreaked havoc on Earth. It was

It was no exception in accelerating our consumption of civilization.

But prior to all of this, Earth had a wonderful self-regulating system in place to sustain the balance of our ecosystem.

However, as the climate continued to elevate beyond the norm, Earth lost its ability to self-regulate and failure is inevitable!

Well, we are now living through the consequences

I want our future generations to know what happened. Which is also why I travel around with this camera.

Though there's only one still of film left.

... this is all pretty boring stuff for me to talk about.

My personal story is even more boring.

Hey, it was pretty exciting to hear about what you went

IT SOUNDS LIKE YOU'RE REALLY INTERESTED IN THIS EARTH, DO YOU KNOW THIS STUFF?

I'VE ONLY HEARD ABOUT IT AS A RUMOR

BUT THERE IS THIS PLACE, WHERE A LOT OF PEOPLE GATHER, THEY CALL IT PARADISE, IT'S FROM HISTORY

THEY SAY THAT THIS PLACE IS THE LAST LITTLE SPOT LEFT IN THIS WORLD

PEOPLE CALL THIS PLACE "PARADISE"

AFTER I HEARD ABOUT THIS PLACE, I'VE BEEN TRYING TO FIND A WAY TO KNOW MORE ABOUT THIS PLACE AND FIGURE WHETHER IT REALLY EXISTS OR NOT

WHAT DO YOU THINK ABOUT THIS PLACE?

DON'T YOU THINK IT'S BE AWESOME?

WAIT, THERE WAS SOMETHING ABOUT THE PEOPLE WHO PLAN TO RESTART CIVILIZATION IN PARADISE.

I HEARD THAT THEY ARE PART OF A SPECIAL ORGANIZATION CALLED THE, "UNIVERSAL COALITION."

NOT ONLY ARE THEY PLANNING TO RECONSTRUCT IT, THEY ALSO BRING NATIVE PEOPLE AND ALIVE THERE THERE

I HAVEN'T MET ANY OF THOSE PEOPLE YET, BUT IF I DO, I'LL PROPERLY RECOGNIZE THEM

AND ONE MORE THING, THIS IS REALLY IMPORTANT, SO LISTEN CAREFULLY!

THOSE PEOPLE WEARING MASKS SYMBOLIZING WHAT THEY FEAR.

A RED MARK IN THE SHAPE OF A SHIELD.

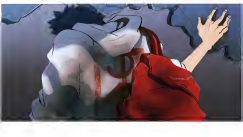
AND INSIDE THAT SHIELD IS THE OUTLINE OF AN ANIMAL THAT DISAPPEARED AS SOON AS THE EARTH STARTED TO CHANGE.

THE PICTURE OF A 'RED DEER.'

BUT HONESTLY, NOBODY KNOWS IF THIS IS TRUE, SINCE A RUMOR IS JUST A RUMOR.

EVEN IF IT IS, I WOULD LIKE TO SEE IF THIS PLACE REALLY EXISTS.

FROM THIS, I WAS ABLE TO FIGURE OUT NORU'S FOOD AND SUPPLY SOURCE.



[UNIVERSAL COALITION].
